Advanced Notice of Product Price Revision

The recent surge in raw material, fuel, and logistics costs in the global market has had a significant impact on the procurement and cost of materials for our products.

Under these circumstances, we have been continuing our efforts to reduce costs by improving production efficiency, etc.

However, the situation has exceeded the level that can be absorbed by our self-help efforts.

Therefore, we regret to inform you of the following price revision of our products.

1. Price revision rate : 3% or more
2. Revision implementation date : December 1, 2024
(Applicable from orders placed on December 1, 2024)

We will continue to make every effort to ensure a stable supply and improve the quality of our products.

We appreciate your kind understanding and look forward to your continued patronage of our products.
